

### **Bobbye & Wesley**

Bobbye and Wesley live in Baton Rouge, Louisiana with their three young children. Bobbye has been a stay-at-home mom while Wesley works in retail management. As sole provider, Wesley's paycheck is not enough to cover their bills, and time is running out for them to keep a roof over their heads and food on the table. They have maxed out credit cards and two mortgage payments due in a month with no additional resources in sight. Will the debt be too much to overcome, or will Opportunity Coach Patrice Washington be able to help them to eliminate their debt, make more money and get their mortgage back on track?
